Southgate Cricket Club thanks once again our long-time sponsor and active supporter David Gakhar, managing director of U & M Group. The company's continued generosity has provided a lifeline to the club for many years and we are immensely grateful for the support we have received during that time.

THE 2020 SEASON

Introduction

None of us who took part in the 2020 cricket season needs to be reminded of the cataclysmic effect that the coronavirus (Covid-19) pandemic had on cricket, let alone everybody's lives and on the entire health service and commerce during that year. Someone reading this in ten or twenty years' time (and it is eminently possible) may wonder at the austerity we all had to undergo – but then again, nothing may have changed in that time and the legacy may live on.

Bombarded with regulatory advice from the ECB, the club eventually commenced the season on 11th July with two home friendly fixtures against Winchmore Hill, the only match practice available before a truncated league campaign got under way. The 'timed' game matches were dispensed with in favour of nine 45-over matches for the entire League competition and there was to be no promotion and relegation. 'Social distancing' as far as it could be effected before, during and after cricket matches, was maintained reasonably strictly for everyone's sake. The real innovation was that players had to bring their own refreshment to replace the traditional sit-down team tea. Considering the headache that procuring our teas has been over recent years, this probably came as the solution to an administrative nightmare. In addition, there were hand sanitization breaks every six overs which provided physical and mental breaks from fielding, unless, of course, you were stationed on some distant boundary in which case you may have trusted your comrades to minimise any bacteria on the infection vector being thrown from hand to hand.

The obvious result of a curtailed season was that we played 40 fewer games than in 2019. Consequently aggregates and averages were heavily affected and the opportunities to enjoy a 'good run' or get into any sort of scoring or wicket-taking rhythm were markedly reduced.

With James Murray, our projected overseas player, 'covidically' stranded in New Zealand, the 1st XI under Tom Edrich almost ironically had a very good season, finishing third by one point (the one deducted for failure to remark a pitch). The 2nd XI, captained this year by Scott Ellis, fared less well, avoiding two consecutive relegations only by the temporary amnesty imposed for 2020. They suffered from players missing from recent seasons (for various reasons) but the real losers were the 3rd XI who were exceptionally short of class and experience. The elected captain, Dan Pyzer-Knapp, was unable to play at all because of personal reasons which were fully justified. Experience was certainly available outside the boundary but the decision was made to invest in the future and play the younger generation. This resulted in several very high margin defeats but the spirit throughout was immensely positive and they looked forward to playing alongside each other every week with gusto and fortitude.

With only half-measures available this year, Tom Edrich scored the most league runs, 223 at 32.43, with a top score of 100 not out at Eastcote. Phil Dunnett showed some consistency in regularly scoring between 20 and 30 and his purple period will not be long coming. The man of the season, however, was Dave Woffinden. His 11 wickets came at a miserly cost of 8.18,

coupled with some useful late-order contributions with the bat which left him at the top of both the club's league bowling and batting averages. As a result he was awarded the Cyril Hawker Player of the Year trophy. Daragh Edwards' 14 wickets at 16.85, Ravi Desai's 11, Jack Upton's 10 and the timely return to the club of Ashley Sivarajah possibly underlines where our strength currently lies. Across all levels of cricket it was Rory Miscampbell who caught the eye with 125 against Southgate Adelaide, 89 against Barnes II and acquitting himself very honourably in the 1st XI. Tom Stanton too, showed signs of considerable promise with his off-breaks and with the bat in the four games he was able to play.

Player contributions in the 2nd XI were across the board with no one standing out, which perhaps confirmed the lack of on-field success although skipper Scott Ellis led by example to a degree with the most runs (139) and 13 wicketkeeping victims in the seven games played. Josh Holmes took 11 wickets as far as records can be assessed; the bowling analyses for the Uxbridge match are missing despite 12 months' attempts to recover them from the Uxbridge captain, notwithstanding the fact that a little awareness at the time might have prevented the inconvenience and now permanent inaccuracy of the club records.

Harshil Vipani, Lewis Johnston, Alan Babwah and Luke Brett in particular showed remarkable 'never-say-die' enthusiasm in keeping the 3rd XI's spirits high. Lewis achieved the reward of his first five-wicket haul, away at Twickenham. The vital wicket-keeping role was filled by newcomer Louis Davies.

A planned repeat of President Steve Rowe's Reunion Match, which was such a huge social success the previous year, was an inevitable casualty of the coronavirus pandemic. There was, however, a surprise near-alternative in a match being held to commemorate the Review compiler's 50th anniversary at Southgate Cricket Club, having represented the club on the field to a major or minor extent in every one of the intervening years. Two teams drawn from past and present Southgate players augmented by some Middlesex Over 60s team-mates of Ricky's took part in an enjoyable match in happily pleasant weather conditions. The celebrity himself endured being on the losing team (no holds barred and no diplomatic catch dropping). Thank you everyone for your part in making it all such a memorable day.

With the limited number of matches played in 2020, the batting and bowling averages in the overall tables and league XIs are not "qualified" by minimum innings batted or overs bowled. Organisation of the December football match and the Awards Lunch also fell victim to 2020's second lockdown so it is possible that some of the winners remain ignorant of their accolade.

Updated career records can be perused from page 20 although time has not permitted much historic excavation to include many additional names this year.

Muhammed Uzair, playing for Stoke Newington II vs the 2nd XI, in a match ultimately abandoned through rain, was dismissed “handled ball”.

Mike Dunn at 80

November 14th saw Mike Dunn's 80th birthday which was marked by a number of members through cards and messages for which Mike has responded with thanks and appreciation.

Mike has penned the following message to you all:

THANK YOU!!!! For all the cards and messages - it was amazing having so many different thoughts to read. They came from far and wide as we are now scattered round different parts of the country, but they all spoke of the friendships we made through sport which are still treasured.

As many of you know I grew up near Doncaster, son of a coal miner overman, and played both football and cricket for local and county junior teams with contemporaries including Boycott. My education took me to a Technical School, O levels & A levels, and on to a Diploma of Technology /Degree at Rugby and I became a high voltage engineer. A career as a lecturer eventually brought me south to Hatfield Polytechnic - with the bonus of the cricket school, and then to Southgate Tech. I played at St Albans, Edmonton and then Southgate as well as for Hertfordshire. I could not have imagined any of this growing up in Bentley, nor the adventures we have had exploring the world, from Oz down under to the Himalayas at the top of the world, mostly driven by our sporting contacts. Hazel and I think we have been very lucky.

Now living in Norfolk on the edge of Thetford Forest with our greyhound for fitness training, we are again lucky in these strange times. I hope that we can all continue to keep in touch - our details below, and if any of you find yourselves in Norfolk, which some do, you will (Covid permitting) be very welcome to drop in.

Southgate Colts 2020

The year 2020 started well for the Colts. Between January and March there were Saturday morning indoor sessions at Ashmole Academy for about 25 players. Preparations for the season were looking good, but the season did not actually get underway until mid-July. This is the date when the Colts season would normally end, but as enough parents and children were keen it was decided to attempt to have as much of a season as possible. We started tentatively, following strict ECB guidelines that groups had to be small and each player used their own ball. In practice this meant that the only training possible was nets. However, regulations gradually eased and we had practice matches, leading to friendlies against other clubs. About ten matches at u11, u12 and u13 were played between July and September. The children were relieved and excited to be able to play and parents were very appreciative of the efforts of the coaches to facilitate some cricket in these most difficult circumstances. Our approach was to involve as many children as possible so they could all enjoy the games and develop for next year.

Special thanks are due to Ashraf Hossein as head coach and others who helped with training and games: Parinda Kularatne, Riaan De-Villiers, Minda Rayit and Ricky Gunn.

Popular summer camps were also run by Ashraf Hosein during the school holidays with assistance from James Dangerfield and Henry Thompson.

Tony Judd

Tony Judd passed away on 22nd August after a long illness, aged 88. Tony joined Southgate during the 1950s and played for all XIs of the club, bowling left-arm orthodox and chinamen, using his height to good effect. He was very proud of his 1st XI cricket but would ruefully reflect on being on at the 'other end' in the 1st XI game when Jim Stokes took his 10-48 at Hemel Hempstead in 1965.

His notable recorded bowling performances include
7-10 1st XI v The Honourable Artillery Company (home) 1963
7-18 3rd XI v Hatfield Hyde (away) 1960
7-23 3rd XI v Old Minchendenians II (home) 1961
7-24 3rd XI v Buckhurst Hill III (away) 1961
7-40 2nd XI v Totteridge II (home) 1966

Tony is mentioned in club annual reports as being one of the 2nd XI bowlers who took 30 wickets in 1956 and in 1957 took 54 wickets. He took over 70 wickets in 1959, and 101 in 1961 of which 81 were for the 3rd XI at 8.95 runs per wicket.

Tony became a Middlesex League umpire along with Tim Bishop at the commencement of the League in 1972 and organised our match umpire allocation at a time when we had regular umpires for our club games.

John Skuse tells of joining a bridge class that Tony set up at his home near the Walker Ground. John gave up after one or two lessons although both played for clubs in their retirements. Tony also enjoyed playing golf and John Skuse relates stories of their exploits. John reports that Tony had been ill for quite a long time but continued to watch cricket on TV and they kept in contact by emails from time to time "complaining about the state of English cricket".

Tony was an animated conversationalist and always delightful and knowledgeable company. Prior to his illness, he had remained in touch with the club and attended lunches and other events as often as possible. He will be remembered with much affection by those who knew him.

Tony and Ellis had two daughters, Cathy and Su. The Club offers its sincere condolences to them and their families.

Career records of current and past players to end of 2020 season (where so far historically calculated ...)

Includes all Southgate C.C. League, Cup and friendly matches but not 20-over competitions.

Players new to the club in 2020 may not appear yet but please see 2020 averages (pp 7-9)
